

The Adelaide City Council brings you a first for Australia...

Adelaide City Bikes Scheme

Travel anywhere within City limits - for work, exercise or to meet a friend.

The scheme gives you **FREE unlimited bike hire during the operational hours of the program.***

Adelaide City Bikes is just one part of the Council's strategy to achieve a cleaner and greener City.

How do I hire an Adelaide City Bike?

To take advantage of the Adelaide City Bikes scheme, all you need is either your driver's licence or passport.

Your ID will be held as a deposit for the duration of the hire and will be given back to you when you return your Adelaide City Bike to the point of hire.

If you get a puncture, or a more significant mechanical failure, simply call **Bicycle SA on 8168 9999** for assistance (Monday to Friday within the CBD only).

It is a requirement of the law to ride with a helmet and these are available in a range of sizes. Additionally, each bike will be fitted with a bike lock, which means you can hop off your bike to shop or go for lunch confident that your bike will be where you left it when you return.

When

During operating hours of participating nodes.

Please note that bikes can only be used during daylight hours and will not be hired out on days where the temperature for Adelaide is forecast 38 degrees and above.

Check www.bom.gov.au for current weather forecasts. Nodes may be closed on Public Holidays or in extreme weather.
